

**WEGO PUBLIC TRANSIT**  
NOTICE OF INTENT TO SOLE SOURCE BOARD APPROVAL

The current contract, 2017810, expires on September 20, 2023, and we anticipate solicitations for Core Supplemental ADA service and Access on Demand, Access Flex, and WeGo Link (referred to as our User Choice programs) to be published in the coming weeks.

**On August 24, 2023, the WeGo Board of Directors approved an extension of contract 2017810 through June 30, 2024. The current cost and terms will remain unchanged.**

The extension is to help maintain our current levels of paratransit services and allows ample time to publish the new procurement, review, and award.
